INTRODUCTION:

Do you know your fit and obligations under the AML/CTF regime?

This course aims to:- Develop the skills and awareness of employees so that they can drive the organization's AML/CTF compliance activities in the future

- Help employees translate these obligations into everyday work practices.
- Describe the consequences of not complying with their obligations.
- Provide guidance on the steps involved in recognizing and preventing money laundering and terrorism financing.
- Support the successful facilitation of AML/CTF policies.

This course is essential for all employees who fall under the AML/CTF Act. This includes financial services sectors, gambling sectors, bullion dealers and other professionals or businesses ('reporting entities') that provide particular 'designated services'.

OBJECTIVES:

In this course, you will learn about:

- The structure of the AML/CTF regime in Australia;
- Your fit into the AML/CTF regime;
- Your obligations under the AML/CTF regime, including:
 - customer identification;
 - AML/CTF Programs;
 - designated remittance service arrangements and correspondent banking;
 - reporting of certain transactions;
 - record-keeping.
- Consequences to you for not complying with your obligations.
